All information included on this application is totally confidential and will not be shared with anyone outside of Great Harvest without your permission. Do you give us permission to share your name and areas of interest with the Great Harvest system on an internal list? This notifies our owners you have submitted an application in case you wish to contact them. NO ___ YES ___

Tell Us About Yourself!

We've made our best effort at telling you who we are. Please use this opportunity to tell us about who you are. On a separate sheet of paper, please answer the following questions.

1. Area of Interest

Tell us where you would like to own a *Great Harvest* bakery.

If you are applying to purchase an existing bakery, you can skip a and b. Please tell us which bakery you are interested in purchasing.

Please include:

- Your town. Please list your top three choices with an intersection and zip code.
- Why you feel it would be a good place for a *Great Harvest* bakery.
- Your connections to the community.

2. Financing the Bakery

The actual investment range to open a bakery is \$148,677 to \$461,294 (average \$279,277). We like to see a minimum of \$80,000-\$85,000 liquid unencumbered cash (cash and securities, not including retirement accounts). In addition to this amount, you'll need the resources and the ability to finance the balance of the total initial investment.

- How do you anticipate financing the bakery?
- If you will receive funding from other sources, such as a family member, please explain the details.
- Will the franchise be your sole source of income?

3. Please explain your plans for operating the bakery

Who will be responsible for the day-to-day operations of the bakery?

4. Tell us a little more about yourself

- Please attach an updated resume for each person listed on the application. Please include your education and professional experience.
- Tell us what you like to do in your spare time.
- Why do you want to own your own small business, and what attracted you to *Great Harvest*?

5. Partnership

If you are planning to have any non-spouse business partners, please tell us:

- How the partnership will be structured financially (who will put in and take out how much money) and operationally (who will be responsible for which aspects of the business).
- Why you believe your partnership will withstand the stresses of a start-up business.

6. Miscellaneous

Have you ever been convicted of a crime?

Have you ever been involved in any civil court actions, either as a plaintiff or defendant?

Have you ever been terminated from a position of employment?

Have you or your spouse ever filed for bankruptcy, personally or as a business or corporate entity?

Have you experienced any illnesses, disorders, or injuries in the past five years that would affect your ability to operate a bakery?

If you answered yes to any of these questions, please provide details.

Thanks for taking the time and effort to complete this application!
